Exam project: Cholesky Decomposition

Albert Freud Abildgaard (201808895)

June 28, 2021

My project can be found at:

https://github.com/albertfreuda/ppnm

in the folder called 'Exam'. It contains documentation (the README.txt) of the implemented functions, and an output file (out.txt) demonstrating the decomposition function, as well as the other implemented functions in the project.
